### *San Luis de Talimali: The Archaeology of Spanish-Indian Relations at a Florida Mission*

by Bonnie G. McEwan

Access the Article Here: <https://www.jstor.org/stable/25616104>

Despite a historical propensity to characterize the Spanish treatment of Native Americans as brutal, archaeological and historic data gathered since 1984 from religious, civic, and domestic contexts at San Luis have revealed otherwise. It appears that both Spanish and Apalachee residents maintained a strong sense of their respective cultural identities and material life, and demonstrated a marked degree of accommodation.
