For Men

You will need:

- One black tailcoat
- One vest
- One white shirt
- One cravat
- One pair of white cotton gloves
- One pair of dark pants
- One pair of shoes to dance in

The best looking Men's TAILCOAT is cheapest and best from TEMU and is
found there by looking for **Men's Poplin tailcoat**. They cost between
\$40-\$50

You can get a vest from TEMU in the same order or switch to AMAZON

In a perfect reenactment the vests would have straight fronts, but remember We have NO Fashion Police so get what you'd like.

Amazon has steampunk tailcoats with vests attached that can look period, so have fun. These range from \$ 30- \$80

Amazon has cravats \$13.99- \$17.99 so does TEMU for less

Amazon has white button-down shirts from \$16.99- \$20.90 so does TEMU

I found this on Amazon for mens white cotton gloves for gloves

Sumind 2 Pairs White Gloves Men Formal Tuxedo Gloves for Police Church Guard Parade Gloves

Remember, gloves are worn at all times except when eating .

No recommendations, but please think about wearing gloves.

- Pants and shoes are up to you. You will be happier in leather or slippery soles and not in heavy boots or sneakers.

Please let me know if buying all this clothing is a financial hardship, Theater with a Mission has some period clothing to lend to people in difficult circumstances.
